

## Block Party Trailer Policies and Procedures

### What Is It Used For, And Who Can Use It?

The Block Party Trailer is a ministry provided by the Mid-Maryland Baptist Association. Block parties and community events provide a great opportunity for churches to minister to their communities, improve their image in a community, increase prospects, have fun with the un-churched, and provide a variety of platforms to share the Gospel.

Churches and ministries of the Mid-Maryland Baptist Association can use the trailer for the purpose of evangelism and outreach.

MMBA churches **should** have Liability Insurance of \$300,000; a certificate of insurance is not required.

### How Much Does It Cost?

**There is a \$50 rental fee and a \$150 security deposit.** You will get your security deposit back when the trailer comes back in the same condition as when you picked it up. If it comes back in a disarrayed state you will **NOT** get your deposit back. If it has missing or broken items your deposit will cover the replacement fee and the rest will be returned to you.

### How Do I Reserve It?

**You can reserve the trailer either by:**

**If you are using the moon-bounce, reservations MUST be made 35 days in advance so that a Maryland DLLR safety inspection of the moon bounce can be made on your site. You are not officially registered until you fill out a reservation form, submit payment and receive notification back from the Association confirming your reservation. A confirmed reservation by the DOM is required before picking up the trailer.**

### Churches Outside of the Mid-Maryland Baptist Association

Churches outside of the association are not able to reserve the block party trailer due to Maryland regulations.

### Are Permits Necessary?

Permit requirements vary according to your location. The best rule of thumb is to call your local municipality for the particulars in your area.
