

Block Party Trailer Policies and Procedures

Revised 02.01.2023

What Is The Block Party Trailer Used For, And Who Can Use It?

The Block Party Trailer is a ministry provided by the Mid-Maryland Baptist Association. Block parties and community events provide a great opportunity for churches to minister to their communities, improve their image in a community, increase prospects, have fun with the un-churched, and provide a variety of platforms to share the Gospel.

Churches and ministries of the Mid-Maryland Baptist Association can use the trailer for the purpose of evangelism and outreach. Churches outside of the association are not able to use the block party trailer due to Maryland regulations.

MMBA churches should have Liability Insurance of \$300,000; a certificate of insurance is not required.

How Much Does It Cost?

There is a \$50 rental fee and a \$150 security deposit. You will get your security deposit back when the trailer is returned in the same condition as when you picked it up. If it comes back in a disarrayed state, you will **NOT** receive your deposit back. If it has missing or broken items your deposit will cover the replacement fee and the rest will be returned to you.

How Do I Reserve It?

- **Click on “Events”** to check the calendar for trailer availability.
- **Download and fill out the reservation form** found online at www.midmarylandba.org.
 - Go to the “Resources” tab at the top of the page and select “Block Party Trailer Rental” in the drop down list.

- Mail a \$200 check and the completed form to:
- MMBA Block Party Trailer, Attn. John Mackall, 6625 Selnick Drive, Suite B; Elkridge, MD 21075. Please make checks payable to the Mid-Maryland Baptist Association.

If you are using the moon-bounce, reservations MUST be made 30 days in advance so that a Maryland DLLR safety inspection of the moon bounce can be made at your site. You are not officially registered until you fill out a reservation form, submit payment and receive notification back from the Association confirming your reservation. A confirmed reservation by MMBA Admin is required before picking up the trailer.

Are Permits Necessary?

Permit requirements vary according to your location. You are responsible to call your local municipality for the particular requirements in your area.

Where Is the Trailer Housed?

The trailer is kept in the parking lot of the **Manchester Baptist Church**, 2933 Manchester Baptist Church Rd. Manchester MD 21102.

3. It can be set up inside a building if you have the height clearance of at least 16ft.
4. Locate the large gray tarp in the trailer. Put it down on the area where the moon bounce will set. This is to protect and keep the bottom of the moon bounce clean. There are stakes in one of the drawers you can use to stake the tarp down so it does not move around.
5. Set the moon bounce in the center of the tarp and unfold it. The white banner that has Mid Maryland Baptist Association on it is the front of the moon bounce. The door is directly under the banner. Position moon bounce where you want the door.
6. Locate the blower. Go to the rear of the moon bounce. There are two tube-like appendages. You will only use one or the other. Slide the tube over the blower housing. Tighten down with straps provided. Close off the other tube with a strap.
