ONE HOPE, an MMBA partner, has an incredible opportunity to revitalize Southwest Baptist Church in Baltimore in one of the most spiritually neglected communities.

While the church building itself requires extensive repairs, the greater need lies in building a healthy church in Baltimore City and bringing the gospel to a community that is desperate for hope. That is where your mission team could walk alongside them.

if there are members in your congregation with experience in construction or ministry, we would love to discuss the possibility of your church sending a team to Baltimore for a short-term mission trip to assist with the repairs.

Financial need for the repairs will be needed. Maybe God is calling your church to partner through financial partnership in one of the most challenging spiritual communities?

To explore additional opportunities, contact Aikin at 240-564-0452.

BCMD is here to serve you. Several opportunities are coming up. See the [BCMD calendar](#).
