

MMBA is excited to offer a church-wide marriage conference. Our prayer is churches will become involved and invite church members and their community to this one-day event. Resources will be on hand for couples and for churches that may be seeking to start or continue growing their marriage ministry.

It will be a powerful, one-day conference designed to strengthen and refresh relationships, whether newly married, together for decades, or somewhere in between. This event will encourage couples with a biblical vision for marriage and practical tools to build intimacy, communication, and understanding.

Former MMBA Director of Missions and current pastor of Covenant Church Shepherdstown, Dr. Joel Rainey, and his wife, Amy, will be the guest speakers to share insight and encouragement rooted in timeless truth. Men and women will also have a time to gather separately for practical and honest conversations about love, leadership, support, and spiritual growth.

Enjoy lunch and connect with other couples during the midday break.
